DISCLOSURE: Acreages, property boundaries, equipment lists, building plans, and other information contained herein are approximate and subject to change. Maps and photos are not to scale. This information was prepared and/or gathered in 2002 regarding the subject properties being offered for sale. Prospective purchasers are advised that changes may have occurred in the physical, financial, legal, and governmental aspects/conditions of the properties, prior to, during, and after this information was prepared and/or gathered. Neither the broker nor the Seller makes any representation or warranty, express or implied, as to the completeness and accuracy of the information contained herein, and subsequent information that Seller or third parties may provide to Buyers. It is the Buyer's responsibility to confirm & verify all subject properties information obtained from any source, including, but not limited to: boundaries, gross acres, net farmable acres, rootstocks, clones, crop production, crop contracts, market conditions, climate, water availability and quality, governmental regulations, environmental concerns, etc., The Buyers are advised to conduct a careful, independent investigation of the properties, using appropriate and qualified consultants, advisors, and legal counsel to determine the suitability of the properties for Buyer's intended uses.
